

Pricing with Purpose Checklist & Messaging Template

1. Review Service Pricing and Offerings

Research local market pricing

Consider any new treatments, modalities, equipment or technology recently added

Consider advanced education, certifications, or training completed

2. Review Business Performance & Costs

Consider demand for services (fuller schedule, or waitlist)

Calculate cost of overhead (supplies, products, rent, utilities)

Consider employee salary increases, benefits, etc.

Review retail and back bar inventory

Determine if your new pricing supports profitability and sustainability

3. Review Updated Pricing Documents

Cost Per Treatment

Wholesale Price List

Consultation Packet and Retail Price List

4. Update Systems

Update POS, booking platform, website, social media and service menus

Update retail displays and printed materials

5. Communicate with Clients

Make pricing increase transparent at least 30 days in advance

Focus client messaging on value, growth, and results

Share updated retail and treatment pricing with clients
